Seniors' gatherings

Seniors' gatherings are a great place to make social connections while learning something new! This group for adults 55 and older meets monthly — each gathering focuses on a different theme. Past gatherings have included tips on taking transit, a chocolate-making workshop, meetings with municipal and elected officials, and advice for accessing digital resources.

Seniors' gatherings are held on the second Tuesday of the month from 10 – 11:30 a.m.

Accessible services programs

Large print books

The library has a collection of large print books in different genres like mysteries and westerns. This collection is regularly updated to provide the latest and most popular titles. [Explore our collection of large print books](#).

Seniors' device clinics

Connect with library staff for basic tech help with your smartphone, laptop, e-reader or other digital device. This safe, self-paced learning environment is ideal for practising keyboarding and using a mouse, and for trying new technology skills.

Bring your technology questions or work through the library's computer basics and online learning resources. Browse seniors' device clinic dates.

Home delivery services

The library offers free home delivery of library materials to residents of the City of North Vancouver who are unable to come to the library due to a mobility challenge or a visual disability. Learn more about our home delivery services.

Immigrant seniors' learning circle

This special online program provides English speaking and listening skills to senior immigrants and newcomers ages 55 and older. This program is offered throughout the year and is ideal for those with Language Instruction for Newcomers (LINC) levels 2 – 5. Browse Immigrant seniors' learning circle dates.

This program is offered in partnership with Impact North Shore.
