## Give the gift of knowledge and make a meaningful difference in the lives of children and adults of your community.

**As a gateway to knowledge, life long learning and literacy, the library is a vital part of our community.**

Although the majority of the funding for our library's collection and services comes from the City of North Vancouver, the ever growing needs of our community have increased the demand for library materials for people of all ages.

Your financial donation gives the gift of knowledge to your community. Your gift will open new worlds, educate, challenge, entertain, inspire, and enrich lives.

**We need your support!**

**A tax deductible financial donation may be dropped off or sent by mail:**
