Event overview

July 9, 2025

1:30 pm to 2:30 pm

Looking for a fun way to chill out this summer? Come and join us for afternoon crafts on four Wednesdays in July. Each week, a new project will be introduced using a variety of craft and recyclable materials. Children will be able to take their masterpieces home with them at the end of the program. This is a drop-in program, and registration is not required. Space is limited to up to 12 people at a time (including caregivers). Participants are welcome to stay for a short time or the entire class. For ages 5 – 8.

The series at a glance:

July 9 — Design an under-the-sea aquarium window

July 16 — Make a pop-up animal habitat

July 23 — Create your own under-the-ocean scene

July 30 — Rainbow craft: Red, yellow, orange and green. Come colour your rainbow!
