## Event overview

July 23, 2025

2:00 pm to 4:30 pm

Join us to learn the basics of using the library's Janome 2030 QDC-B and DC-G sewing machines. In this beginner-friendly class we will practice sewing straight seams and learn some basic sewing skills. Drawstring bags are useful in lots of different ways, so they are a great way to create something that will show off your sewing skills every time you use it!

**Registration is required and supplies will be provided. All participants must be 13 years of age to use a sewing machine on their own.** If you want to bring your own supplies, they will need to be approved by staff.

Please note: The library sewing machines can be operated without the use of a foot pedal by using the stop/start button instead.

We have Janome 230 QDC-B sewing machines and DC-G sewing machines. More information about these machines, along with the library's sewing machine safety policy, can be found [here](#).

Registration is closed.
