Event overview

July 10, 2025

6:00 pm to 7:30 pm

Urban Tales Collective is a chamber ensemble dedicated to exploring the intersection of urban folklore and contemporary composition. With a particular focus on Iranian music and the broader Caspian Sea region, the collective brings together works that weave rural and urban ideas into the fabric of Western Classical music. Urban Tales Collective seeks to celebrate storytelling, provide accessible resources for performers and champion living composers.

This hour-long performance is brought to you by the Iranian Music Society and is made possible thanks to funding by the Government of Canada's New Horizons Grant for Seniors program. There will be some time for questions and interactions at the end.

Registration is required. Please arrive on time. Due to the popularity of the program, your spot will be held for 5 minutes only and will then be released to someone from the waitlist.
