3:30 pm to 5:00 pm

This is a program for teens in grades 7 – 12.

Join short story writer Erin MacNair for two afternoons of writing. After quick introductions and a discussion about the elements of a great short story, the group will work on submissions for "The Butterfly Effect", this year's theme for the library's [teen summer writing contest](#).

Erin MacNair (she, her) works on the unceded territories of the Squamish, Musqueam, and Tsleil-Waututh people. Her award-winning stories have been published in *Conjunctions*, *The Baffler*, *The Walrus*, and others. She's finished a short story collection with support from the Canada Council for the Arts and is writing a novel. More at www.erinmacnair.com.
