VenuSia, with the goal of bridging the musical traditions of the East and West, will perform a selection of folk songs and melodies from various cultures in different languages, presented in two categories:

The first category includes familiar and nostalgic compositions that have endured through generations and remain a source of pride and a symbol of the enduring strength of musical art.

The second category features modern creations by Iranian artists—both well-known and lesser-known—who, inspired by traditional music and fusing it with contemporary trends, have connected a new generation to this art form.

This hour-long performance is brought to you by the Iranian Music Society and is made possible thanks to funding by the Government of Canada's New Horizons Grant for Seniors program. There will be some time for questions and interactions at the end.

Registration is required. Please arrive on time. Due to the popularity of the program, your spot will be held for 5 minutes only and will then be released to someone from the wait list.
