About the book

"The women at the center of *The Enchanted April* are alike only in their dissatisfaction with their everyday lives. They find each other—and the castle of their dreams—through a classified ad in a London newspaper one rainy February afternoon. The ladies expect a pleasant holiday, but they don't anticipate that the month they spend in Portofino will reintroduce them to their true natures and reacquaint them with joy. Now, if the same transformation can be worked on their husbands and lovers, the enchantment will be complete" [publisher].
