## Event overview

October 22, 2025

6:30 pm to 8:00 pm

Legal advocates from North Shore Community Resources will provide an overview of the major federal and provincial income assistance programs that are available to BC residents.

They will explain the kinds of benefits and resources that are available, who is eligible for the various programs, and what obligations people have if they are approved. They'll also cover common problems that can arise either at the application stage or after one has already been approved, and how to appeal these decisions.
