Event overview

September 19, 2025

10:30 am to 12:00 pm

This class will introduce you to Windows 11 and Mac OS. We'll cover basic differences in layout and navigation, and offer some tips for personalizing your device. This is a hands-on workshop; bring your own laptop or use one of our laptops (limit of 12 computers).

Registration is recommended, but dropping in will be permitted if space allows. Each person must to register individually.

Note: We will be using a Windows computer for the demonstrations and hands-on practice. If you would like to bring your own Mac laptop, you are welcome to for the hands-on demonstrations with Mac devices. This class will focus on laptop devices, not phone or tablet devices.
