Event overview

Online event

October 10, 2025

10:30 am to 12:00 pm

This is a hybrid program - attend in person or virtually via Zoom

Do you feel insecure about the information you are putting online, or worry about scams, fraud and identity theft? This class will look at the basics of online security and how to keep yourself and your information safe. Topics will include passwords, malware, scams and fraud. Come learn some strategies for protecting yourself and your devices.

Registration is required for virtual participation; the Zoom link will be sent to the email used to register. Registration is recommended for in-person attendance. Contact [info@nvcl.ca](mailto:info@nvcl.ca) or [604-998-3450](tel:604-998-3450) to confirm your spot. Dropping in will be permitted if space allows.
