Families with children are welcome to join this special five-week series of storytime programming that incorporates words and simple phrases in Canadian Sign Language. This program is co-led by library staff and CSL educator, Salsi'miya Janine Gonzales. Gonzales has a hearing impairment and is an experienced teacher of Canadian Sign Language. You'll learn fingerspelling, everyday words and helpful phrases for communication between yourself and your children.

This program is drop-in; registration is not required. If you would like to add the storytime series to your personal calendar, click on the Calendar button below and select the platform used to download a calendar event.
