Event overview

November 19, 2025

7:00 pm to 8:00 pm

Join us for an overview of how to record audio in the library's recording station ([there is a separate tour for video](#)). We will show you how to book and set up the room and get started with the recording equipment and editing software.

All registrants must have a valid library card. Registration is recommended, but dropping in will be possible if space permits.

Due to the space limitations of the Recording Station, we can admit only three patrons in each session. We also have [audio production handouts and tutorials](#) (via LinkedIn Learning).

Registration is closed.
