Due to limited space and high interest, please be aware that we will only hold your spot for 5 minutes if the class is full.

Join us for these group learning sessions tailored for Windows laptops.

Bring your Windows laptop and an idea of what you would like to accomplish, and work with a TechConnect staff member and fellow participants in exploring the full potential of your device. We will delve into how your device works and what its capabilities are, and answer your questions.

Registration is recommended. Each person must register individually. Drop-in will be permitted if space permits.
