Event overview

January 24, 2026

10:30 am to 12:00 pm

Junk journaling is a popular "twist" on scrapbooking that promotes sustainability and encourages free-form creativity. Taking inspiration from magazine cut-outs, greeting cards, wrapping paper, ticket stubs, newspaper clippings and more, participants will learn the basics of junk journaling and create their own journal to take home. All necessary supplies are provided by the library, but participants can bring items they wish to include in their journals with them.

This is a family program that requires registration, as space is limited.

Children under the age of 10 must be accompanied by an adult guardian or caretaker.

Registration will open Saturday, January 3, 2026 at 6:30 pm
