Event overview

January 20, 2026

3:30 pm to 5:00 pm

Tweens are invited to participate in our New Year trivia contest, where we'll be asking skill-testing trivia questions on a broad range of topics: weird animal facts, science experiments gone wrong, amazing food preferences from around the world, movies that did it better than the book (and vice versa!) and more. Those in grades 5 to 7 are welcome to work in a group of up to 5 tweens, or can compete as individuals. The winner, or winning group, will take home some amazing library prizes. Light snacks and refreshments will be provided.

This program requires registration as space will be limited. However, on the day of the event, we will welcome drop-ins as space becomes available.

Registration will open Tuesday, December 30, 2025 at 11:30 pm
