Event overview

February 11, 2026

6:30 pm to 7:30 pm

Staff from Vancouver Coastal Health's Early Psychosis Intervention (EPI) program will deliver a short story, spoken presentation, and Q&A about the visceral experience of psychosis, as well as the EPI Program. Participants will come away with greater understanding, empathy and confidence in their ability to support loved ones and their community.

The program will be led by the EPI Peer Support Person (Christa) and Team Lead (Ashley).

Registration is recommended, but drop-ins will be allowed if space permits.

Questions? Please call 604-998-3450 or email info@nvcl.ca.
