Event overview

January 14, 2026

10:00 am to 11:30 am

Due to limited space and high interest, please be aware that we will only hold your spot for 5 minutes if the class is full.

Need help with your device? Register for a small group device clinic with TechConnect staff. Bring your own device (e.g. mobile phone, tablet or e-reader) and your technology questions.

If you prefer to work at your own pace, you can also use the online learning resources the library has created to introduce you to computer basics. Whether you want to learn about Windows or Mac, or get some practice keyboarding, the device clinic will give you the opportunity to develop and practice your technology skills.

Registration is recommended. Each participant must register individually. Dropping in will be permitted if space permits.

Questions? Contact info@nvcl.ca or 604-998-3450.

Registration is closed.
