Event overview

March 5, 2026

6:30 pm to 8:00 pm

Knowledge of Microsoft Office is consistently in the top five requirements in job postings. Want to learn MS Office's most popular applications, Word and Excel? In this hands-on practice session, you can work through practice problems to gain the skills you need to use these applications.

In this session we will be focusing on Intermediate and advanced MS Office skills for Word. This class will build on the skills from the Introductory Word courses, and be most beneficial to those already comfortable with the basics of MS Office.

Introductory Word classes will be held on:

- January 29
- February 5
- February 12
- February 19

Find out more or register for the [Introductory classes](#).

Registration is recommended. Individual registration only. Dropping in will be permitted if space permits. Limit of 12 spaces.

Registration is closed.
