Event overview

January 16, 2026

10:30 am to 12:00 pm

Does technology terminology have you baffled? Are you confused by what an operating system or RAM are? Do you know the difference between an upload and a download? Want to learn how to scan a QR code? Join us to demystify the technology jargon that will help you use your devices and navigate the technological landscape.

Registration is recommended, but dropping in will be permitted if space allows. Each person must register individually.

Registration is closed.
