Event overview

January 30, 2026

10:30 am to 12:00 pm

This class will introduce you to Windows 11. We'll cover basic differences in layout and navigation, and offer some tips for personalizing your device. This is a hands-on workshop; bring your own laptop or use one of our laptops (limit of 12 computers).

Registration is recommended, but dropping in will be permitted if space allows. Each person must register individually.

Registration is closed.
