Event overview

January 20, 2026

1:00 pm to 3:00 pm

Join us in learning how to make your very own fish leather wallet! The ocean is very important and vital for Coast Salish communities and many have ceremonies or cultural practices related to the ocean and sea life. In the Squamish Nation, there is an annual **Honouring the Salmon Ceremony** to thank the fish and pray for their return. Join us to learn the importance of salmon while creating your own wallet.

Materials for the workshop will be provided. Registration is required. Intended for adults.
