Event overview

June 10, 2026

7:00 pm to 8:00 pm

Learn how to record video in the library's recording station. We'll show you how to set up the room and get started with the camcorder, editing software and other equipment. We'll also show you how to book the room. [There is a separate tour for audio.](#)

All registrants must have a valid library card. Registration is recommended, but dropping in will be possible if space permits.

Due to the space limitations of the Recording Station, we can admit only three patrons in each session. We also have [video production handouts and tutorials](#) (via LinkedIn Learning).
