Valentine's Day is coming up, so join us in creating Valentine's hearts to give to someone you love to pieces.

During this after-school craft, each child has the option to create a stained-glass heart or quilted heart. Various crafting supplies will be available, including fabric scraps and tissue paper. All supplies will be provided.

This drop-in program is for children 5 to 10. Children under the age of 10 must be accompanied by an adult.
