Guidelines

- Open sewing is not a class; we will not be working on projects together. A staff member will be present to assist with basic questions and setup, but no instruction will take place.
- Please bring your own projects and supplies. Scraps will be available for testing only.
- If this is your first time using the library's sewing machines, please read the [Sewing Machine Guidelines and Disclaimer\(352 KB\)](#).
- Open sewing and use of library sewing machines is only available to people 13 and older with a library card in good standing; kids 12 and younger must work with an adult caregiver.
