Event overview

February 19, 2026

3:30 pm to 4:30 pm

Join us at the library for an Inter-generational gaming event that brings teen volunteers and seniors together through the fun of video and board games! Participants will have the chance to play a variety of easy-to-learn, engaging games that encourage teamwork, conversation, and friendly competition. No gaming experience is required—just curiosity and a willingness to have fun. This program is designed to build connections, and show how games can be a shared language at any age.

Register by clicking "Register" and filling out the form, or by contacting us at 604-998-3450 or info@nvcl.ca. You can also register at any info desk in the library.
