Event overview

February 17, 2026

3:30 pm to 5:00 pm

Get ready for the ultimate trivia challenge! You and as many as 4 other tweens are welcome to work as a group, or participate as an individual – the choice is yours! You'll be asked a series of skill-testing, brain-stumping, chin-scratching trivia questions that range in subjects from geography, to ancient history, to weird science wonders, to world record holding, to the latest in pop culture and everything in between. Slowly we'll work our way up in challenge difficulty until we're able to award either a group or individual the prize of Trivia Champion (along with some sweet gifts too)!

Based on the skill level, this program is intended for children in grades 5 to 7.

As this program is anticipated to be popular, we encourage you to register for you and your friends ahead of time to avoid disappointment. We will be allowing waitlist individuals to drop-in on the day of the event as space allows.

Registration is closed.
