Event overview

March 16, 2026

10:00 am to 12:00 pm

Join us for this crafting program to make your own fidget toy.

Flextangles are an infinite spinning paper model, which can be decorated with fun designs.

Drop-in with your little ones while space permits to make your very own Flextangle. All ages are welcome — all children 10 and under must be accompanied by an adult caregiver.
