About the film

Seth Scriver, living in Toronto, has always looked up to his half-brother Pete, a gifted storyteller who lives in Shamattawa, a First Nations reserve in Northern Manitoba. Using his signature psychedelic animated style, Seth brings Pete's stories to life, intersplicing them with satirical vignettes about Canadian culture and perspectives.

Wildly imaginative and lovingly crafted over the course of nearly a decade, this unique animated documentary won the Audience Choice Award at Hot Docs in 2025 and Best Animated Film from the Toronto Film Critics Association.

Registration is recommended, but drop-ins will be allowed if space permits. Questions? Email info@nvcl.ca or call 604-998-3450.
