Event overview

April 13, 2026

3:15 pm to 4:15 pm

Hop on over to the library to create a bunny puppet.

For this spring-inspired craft, we will be using paper bags to create the body for the bunny along with various other crafting materials to create floppy ears and cotton tails.

This drop-in program is for children 5 to 10. Children under 10 should be accompanied by an adult.

Space is limited, so please try to arrive on time to guarantee a seat.
