Event overview

May 7, 2026

6:30 pm to 8:00 pm

Preparing for emergencies is more than gathering supplies — it's also about building social connection. A strong sense of trust and belonging before an emergency means people can rely on one another during and after an event.

Join us for a session aligned with the 2026 Emergency Preparedness Week theme, “In it together,” which highlights how readiness and resilience are strengthened when we look out for each other.

This session will offer practical tips to help individuals, organizations, and neighbourhoods be more resilient in an earthquake or other emergency. You'll learn about potential hazards on the North Shore, how to create an emergency plan, and how to build an emergency kit or grab-and-go bag.

Presented in partnership with [North Shore Emergency Management](#). This program will be delivered in Farsi. Registration is recommended, though drop-ins may be accommodated if space permits.
