Event overview

May 11, 2026

3:15 pm to 4:15 pm

Let's make a vegetable garden with crunchy carrots, snappy snow peas and radiant radishes.

Each child can decorate paper plates or egg cartons for their vegetable patch using a variety of crafting supplies. Children will also hear about the seed library and learn some gardening tips.

This drop-in program is for children 5 to 10. Children under 10 should be accompanied by an adult.

Space is limited, so please try to arrive on time to guarantee a seat.
