Event overview

June 5, 2024

10:00 am to 11:00 am

Need help with your device? Attend this small group device clinic with TechConnect staff. Bring your own device (e.g. mobile phone, tablet or e-reader) and your technology questions.

You can also discover the online learning resources the library has created to introduce you to computer basics. Whether you want to learn about Windows or Mac, or get some practice keyboarding, the device clinic offers you a self-paced learning environment that will give you the opportunity to develop and practice your technology skills.

No registration required. Our capacity is four, and spaces will be first come, first served. Please arrive early to guarantee a spot.
