## Event overview

April 18, 2024

2:30 pm to 3:30 pm

Need help with your device? Come to a small group device clinic with TechConnect staff. Bring your own device (e.g., a mobile phontablet,let or e-reader) and your technology questions.

You can also discover the online learning resources the library has created to introduce you to computer basics. Whether you want to learn about Windows or Mac or get some practice keyboarding, the device clinic offers you a self-paced learning environment that will give you the opportunity to develop and practice your technology skills.

No registration is required. Our capacity is four, and spaces will be first come, first served. Please arrive early to guarantee a spot.

If you have questions about this drop-in program, please contact us at [info@nvcl.ca](mailto:info@nvcl.ca) or 604-998-3450.
