Need help with your device? Come to a small group device clinic with TechConnect staff. Bring you  
own device (e.g. mobile phone, tablet or e-reader) and your technology questions.

You can also discover the online learning resources the library has created to introduce you to  
computer basics. Whether you want to learn about Windows or Mac, or get some practice  
keyboarding, the device clinic offers you a self-paced learning environment that will give you the  
opportunity to develop and practice your technology skills.

If you have questions about this drop-in program, please contact us at [info@nvcl.ca](mailto:info@nvcl.ca) or 604-998-3450.
