Event overview

June 5, 2024

7:00 pm to 8:00 pm

Join us for an overview of how to record audio in the library's recording station (there is a [separate tour for video](#)). We will show you how to set up the room and get started with the audio recording equipment, and provide an overview of the audio editing software. We will also show you how to book the station. All registrants must have a valid library card. Due to the size of the recording station we can admit only three patrons in each session. We also have [video production handouts and tutorials](#) (via LinkedIn Learning).
