Event overview

March 20, 2024

10:30 am to 12:00 pm

Join us for a hands-on STEAM craft session where children and their caregivers will work together to create light-up Pokémon characters. Those in grades 1 to 4 will learn about electrical circuits and simple devices in this fun and creative activity, and will get to take their Pokémon characters home at the end of the program!

Registration details:

- Registration is required — a parent or guardian (ages 10 and older) must attend.
- When asked how many guests will be attending, select 1 for the parent or guardian accompanying the registrant.
