Try your hand at sewing an easy totebag! This beginner-friendly project is a great way to learn a new skill and try out the library's Janome QDC-B 2030 sewing machines, and you'll end up with a super handy tote bag!

Please note: registration is required. Supplies will be provided. If you'd like to bring your own materials, these will be subject to approval by the instructor.

The class is open to all ages. Participants must be 13 or older to use a machine unsupervised.

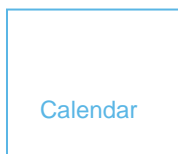

Anyone 12 or under must be accompanied by an adult caregiver during the class.

Please note: The library's sewing machines use a stop/start button and do not require the use of a foot pedal (though these can also be attached).
