Event overview

March 14, 2024

7:00 pm to 8:30 pm

This class will provide an overview of Google's Gmail, showing how to create and manage an account and send and receive email. This class is for those with little to no exposure to email who are looking to create their own Gmail account, or for those needing a refresher on the basics.

This will be a hands-on class. Use one of the Collaboratory computers or bring your own.

Registration is recommended, but dropping in will be possible, space permitting. Limit of 12 computers in the Collaboratory.

Registration is closed
