Event overview

March 23, 2024

11:15 am to 12:15 pm

Play is important for child development. It contributes to physical, cognitive, social and emotional well-being and is the first practice we get at reasoning, problem solving and planning.

Bring your little ones (3 – 6 years old) to this play session with screen-free technology designed for little humans! The following devices will be available for open play:

- *Code-a-pillar*
- *Trucky 3*
- *Three Little Piggies*
- *My First Microscope*
- *Code n' Go mouse*
- *Monkey Balance*
- *Light Bright*
- and more!

This is a drop-in program. Children must be supervised by a parent or caregiver. Staff will assist with technology. Technology will be available first come, first served, and availability is not guaranteed. We encourage sharing as this helps with child development.
