Event overview

March 1, 2025

11:15 am to 12:15 pm

Play is important for child development. It contributes to physical, cognitive, social and emotional well-being and is the first practice we get at reasoning, problem-solving and planning.

Bring your little ones (3 – 6 years old) to this play session with screen-free technology designed for little humans! A selection of devices will be available for open play:

- *Code-a-pillar*
- *Trucky 3*
- *Three Little Piggies*
- *My First Microscope*
- *Code n' Go mouse*
- *Monkey Balance*
- *Light Bright*
- and more!

This is a drop-in program. Children must be supervised by a parent or caregiver. Staff will assist with technology.

Technology will be available first come, first served, and availability is not guaranteed. We encourage sharing as this helps with child development. The Collaboratory is limited to 15 participants.
