Event overview

March 15, 2025

2:00 pm to 3:30 pm

Have you ever made a tie-dyed t-shirt? It can be a lot of fun to dye a shirt in bright colors with spiraling designs. In this science activity, you will get to dye a t-shirt with your own colorful artwork using permanent markers. Along the way, you will find out how solubility helps your drawings leave beautiful designs on the fabric.

For grades 4 - 7.

Registration is closed.
