Event overview

March 18, 2025

2:00 pm to 3:30 pm

Make your own terrible teddy! These huggable monstrosities will be totally unique and right from your own imagination because we'll be creating the process for this project as we go, one step at a time! With some familiar supplies, you'll make a scary beast or a friendly buddy (or something in between) and you'll get to take them home with you at the end of this workshop! This activity is for ages 5 – 10. Children must be accompanied by a caregiver. All supplies will be provided.

Registration is closed.
