

Your future library

Published: April 16, 2024

Categories: [Library news](#)

City Library is asking for public feedback to help us determine the future of library services in the City of North Vancouver.

Please take our survey to tell us what's important to you and how you currently use the library. Your responses will inform the library's next strategic plan. At the end of the survey, you can enter to win a \$100 grocery gift card to Whole Foods or City Market.
