

# Open door community hub

The open door community hub is a welcoming, drop-in space for people to gather twice weekly to access community support services, enjoy fellowship and have light refreshments. An outreach worker is onsite to connect people to services across the North Shore, and care kits are available to those who need them. In the space, we've hosted a foot care clinic, group puzzles and games.

This grant-funded project is made possible by [SPARC BC](#).
