

Propose a program

Are you interested in partnering with City Library staff to create a public program? Please fill out this form and include as much information as possible to start the conversation.

The library plans programs several months in advance. While we welcome ideas from everybody, we receive many proposals and do not have the capacity to offer them all. Successful programs speak to the library's strategic priorities and offer community connection.

Please review our [Strategic Plan\(7 MB\)](#) and [Public Programming Policy](#) before submitting the form.
