Seed library registration form

The City Library seed club is a free program committed to increasing our ability to feed ourselves wholesome food by offering seeds and education.

The seed club operates on the honour system. We encourage all members to learn basic seed-saving techniques and that beginner seed savers grow and return seeds from plants which are easy to save. If you are unable to save your own seeds please consider donating a packet or two of fresh, commercially grown, open-pollinated (non-hybrid, non-GMO) seeds to keep our collection stocked.

To register, just enter your library card number below! Don't have a library card? Register for a library card here!
