City Library app released

Categories: Digital resources

Your favourite library now has an app! Use the app to discover new titles, borrow ebooks and eaudiobooks, and browse recommendations from staff and community members!

Log in just once to have instant access to a digital library card that you can use at the self-checkouts and service desks. You can add family members' cards too — no need to carry multiple cards in your pocket.

With the app, you can:

- Use it in place of a physical library card to scan at our self-checkouts/service desks;
- Search for books by scanning an ISBN;

- Check library hours.
